

## HOME VISITING CONFERENCE 2022

The 2022 Parent Possible Home Visiting Conference - Keep Going, Keep Growing brought together more than 200 attendees from across the state (and beyond) for two days of professional development and networking opportunities, as well as time for connection and laughter. Participants came from 7 different home visiting models to learn from one another and from dozens of nationally recognized experts in the field.

“ I enjoyed it so much it was a really enjoyable, refreshing, and motivating conference.

“ Ya que me dio la oportunidad de compartir en persona con las personas que he estado interactuando
